# ABOUT

**Fatiniza** is an energetic and engaging Latin Pop singer-songwriter from Colombia, now based in Costa Rica.

With a vibrant music career that includes performances at Dubai EXPO 2020, the Formula 1 in Abu Dhabi, and the Colombian Music Festival in San José, Costa Rica, she has captivated audiences worldwide.

She has performed at international festivals, events, and private shows, including VIP events for sports and political representatives.

# Fatiniza

SINGER - SONGWRITER

An award-winning artist, Fatiniza won Best Female Artist at the World Independent Music Awards and Song of the Year with "Out of Control." With two albums and several singles to her name, she is currently releasing her third studio album, "Historias," single by single.

In 2024, she released a cover of "Little Talks" by Of Monsters and Men and is set to release two original singles, "The World is Watching" and "Apostando."

Residing in Costa Rica for nearly a decade, she continues to engage and expand her global audience with her dynamic performances and vibrant music, available on all major streaming platforms.
